2026 Mid-West Drag Racing Series Media Regulations

The following regulations are set forth for those that are provided media credentials to photograph or do video of the Mid-West Drag Racing Series. These are not requests, they are expectations set forth by the Mid-West Drag Racing Series and to be adhered to at all times. Any content creators found to be in violation of these expected guidelines can expect to have further event credentials denied, and you may be asked to leave the event depending on the severity. Any content creator that refuses to agree to these requirements will not be allowed any access outside of that of a paying fan.

- All photos and/or video footage of the MWDRS MUST have the Summit Racing Equipment/J&A Service Logo on them (the one above). If you are creating content as a freelance photographer for another outlet please make them aware of this. It is your responsibility to let them know!
- Absolutely no drone photography or video without approval from MWDRS.
- Absolutely no flash photography once the car has made forward motion to stage the vehicle until the vehicle launches. This means no flash photography while the vehicle is staging.
- All content creators are to act in a professional manner while at a MWDRS event. Do not leave any trash, included but not limited to: Food, Batteries, Soda, etc. trackside.
- Avoid being in the way of any track personnel or MWDRS staff.
- Track personnel will have final say about locations that content creators can stand.
- Under no circumstances are you to lean over the wall and/or block the line of site of the creator behind you. There is a zero tolerance for this behavior!
- Top end photography is allowed, we as an organization do ask that you inform someone from the MWDRS staff that you are going to be up there partaking in that so that we are aware of your presence at the top end.
- All content that you create is YOURS! MWDRS does not assume any ownership of your content, though as a working relationship, there may be a time that we request to use a photo with your permission of course.
- Should you take any winner's circle photos, you agree to post them publicly within 7 days of the event. You may leave your watermark on these photos.

Be Safe, Have Fun, and Enjoy the racing, and Thank You for being part of the MWDRS media family. Here is to a great 2026, 10th Anniversary season.

Media Requests: Ellen Eschenbacher 317-719-9672 or ellen@midwestpromodseries.com

Please send an email to be invited to the MWDRS Team Dropbox for photos.
